

ALCAD S.L. CERTIFIES THAT

Our products for television and radio reception/distribution systems and entry control systems comply fully with European Council directive 2006/95/EC on Low Voltage, as well as with directive 2004/108/EC on Electromagnetic Compatibility.

The products we manufacture comply with all applicable national and European regulations, as a sign of which they display this symbol:

This symbol appears on the products. All products include a declaration of compliance which guarantees that these regulations have been complied with.

ALCAD S.L. has been recognised by AENOR with the following number ER-0196/1996, indicating its compliance with the quality standards set by ISO 9001.
